

**Commonwealth of Pennsylvania
PA Department of Agriculture Seeks
Director, Bureau of Animal Health and Diagnostic Services**

The Pennsylvania Department of Agriculture has an opening for Director, Bureau of Animal Health & Diagnostic Services located in Harrisburg, PA.

This position directs programs for the prevention and control of poultry and domestic animal diseases, diagnostic laboratory services and provides support services to the Animal Health & Diagnostic Commission.

Minimum Experience and Training Required: Ten (10) years of experience in the diagnosis and management of animal diseases in a university, governmental, industrial or private practice, including five (5) years experience in a supervisory capacity directing professional and technical staff. Possession of a DVM/VMD degree from an AVMA approved college is required.

Salary is commensurate with experience and accomplishments up to \$118,084, plus a bonus incentive plan and generous benefits package.

This is a Senior Management Service position. Interested candidates should send a resume, letter of interest and completed Personal Data Sheet (available at <http://www.hrm.state.pa.us/pds>). Applications must be received by June 13, 2008 and should be addressed to:

Russell Redding, Executive Deputy Secretary
Pennsylvania Department of Agriculture
2301 North Cameron Street
Harrisburg, PA 17110

Any questions can be directed to Debbie Laughman at (717) 787-1065

PA Department of Agriculture is proud to be an Equal Opportunity Employer supporting workforce diversity.
