Katrina
• Florida
• North Carolina
• Georgia

Ike
• Florida
Our Founders

*Brigid Elchos & Don Hamilton*

- Appreciated the value of state-to-state mutual aid
- Noted the MSP model
- Formed SAADRA ‘06

SAADRA’s Structure

...an *interactive collaboration of states at risk from similar natural, intentional, technological, and disease disasters affecting agriculture and animals*
SAADRA’s Mission

...is to strengthen all-hazard capabilities through partnerships with the public, animal and agriculture industries, and every level of government

SAADRA’s Goal

Both regional and individual state preparedness will be enhanced through collaborative planning, mitigation, response, and recovery efforts that help to ensure the safety and health of its citizens, food systems, agriculture infrastructure, animals, and economy

SAADRA Activities

Resource Typing Guidelines

• Revised the FEMA 508-1 Animal Emergency Response guidelines

• SAADRA Specific guidelines produced

SAADRA Activities

• Holds a seat on the Department of Homeland Security, Food and Agriculture Sector Government Coordinating Council

• Radiological Planning and Response Working Group

• Road Accidents Involving Livestock Working Group
Challenges

• Funding
  - SAADRA states received (2006-2010) 2% of available FEMA SHSP funding
  - Substantially less SHSP since 2010
  - State budgets very tight

• Time
  - Fewer state positions available

• Volunteer-herding
  - Better with NARSC
What’s next…

• Seek funding sources
• Promote regional efforts
• Collaborate with regional groups

Benefits of Regional Alliances

• Combining our strengths and builds capability
• Sharing best practices reduces duplication
• Collaboration increases our available resources
Any questions?
