

# Animal Emergency Frame

National Center for Food Protection and Defense

Funded by DHS Food, Agriculture, and Veterinary  
Defense Branch

# Need

Consistently train, increase awareness, and improve access to responders in support of an animal emergency.

# Purpose

- Provide framework for organizing training
- Assess existing training
- Provide platform to recommend and record training for individuals with responsibilities in an animal emergency
- Create database of all relevant trainings and courses available

# User Levels

- Individual
- State Administrator
- National Administrator

# Animal Agriculture Emergency Response Curriculum Framework
