Genetics

# NBAF as a concept for workforce development opportunities (culture change)

# “Mini” NBAF

## “Ground Zero” for Kansas transition activities

### Biosecurity Research Institute

# DVM/PhD

# Considerations for workforce development

- What is a DVM/PhD?
- Veterinary training focus on companion animals
- Engagement (K thru 12, undergrads.....residents)
- Diversity
- Focus of workforce development (lab personnel.....project leaders)
- Funding sources (likely determine direction and outcome)
- Coordination of activities (national....global)
- Opportunities for unique partnerships
- Inventing new approaches to workforce development
- Community colleges

# K-State Dual DVM/PhD Scholarship Program

- Designed to support DVMs who are already in a graduate degree program
- 2-2(3)-2 , 4-2(3) options for DVM and graduate training
- Tuition forgiveness during DVM training period- must complete program in allotted period or pay back tuition
- Graduate training costs covered by advisor
- Early admit students with no degree qualify
