

* Nebraska Vesicular Stomatitis Sit Rep-2015

Dennis A. Hughes D. V.M.
Nebraska State Veterinarian

- * First case investigated on Labor day, just after Nebraska State Fair check-in.
- * New cases first appeared closed to WY border, and handled by NDA FADD.
- * Never exceeded 3 FADD investigations/day, and most often was 1 FADD investigation/day.
- * Killing frost occurred on Oct. 14; Numbers of new cases have dropped to approx. 1 FADD/week.
