NPIP BIOSECURITY AUDITS: THE GEORGIA PERSPECTIVE

Jeff Spivey, Director of Industry Operations
September 23th, 2018
43 commercial entities operating in Georgia

37 commercial companies with live operations based in Georgia

- 5 primary breeder complexes
- 8 table egg complexes
- 6 breeder broiler complexes
- 1 breeder layer complex
- 18 broiler complexes
- 1 commercial quail complex
- 15 upland game bird operations

The daily result: 31 million pounds of meat, 7 million table eggs and 5.6 million hatching eggs.
$38 billion dollar impact on the state economy

138,000 Georgians directly and indirectly involved in the Poultry Industry

If Georgia were a country, it would rank 7th in the world in broiler production

47% of Georgia Agriculture is poultry related
GOALS

➢ ESTABLISH CONTACT

➢ EDUCATE AND EXPLAIN

➢ DETERMINE NEED

➢ AUDIT
ESTABLISH CONTACT

➢ CONTACT LEADERSHIP

➢ CULTIVATE RELATIONSHIPS

➢ MEETINGS
CONTACTS/RELATIONSHIPS

➢ GPLN MEETINGS AND INDUSTRY EVENTS

➢ GROWER EDUCATION MEETINGS

➢ CALLS/EMAILS

We approached industry in a methodical manner.
MEETINGS

Going to them

We travelled to 26 companies and 6 upland game bird operations to meet leadership, owners

Coming to us

12 companies travelled to our office
EDUCATE AND EXPLAIN

➢ BIOSECURITY POWER POINT PRESENTATION

➢ EXPLAIN SPECIFICS/ANSWER QUESTIONS
BIOSECURITY POWERPOINT

- MEETING WITH ALL LIVE OPERATIONS MANAGERS, STAFF
- DETAILED PRESENTATION OF THE BIOSECURITY PRINCIPLES
- COPIES OF POWER POINT PROVIDED TO COMPANIES
3.2 Does your biosecurity plan have site specific procedures to be followed by owners, hired help, company employees, visitors, or suppliers that cross the LOS?

3.2.1. Provide the procedures for crossing the LOS

*We explained each principle and answered questions for each type of operation to be audited.*
NPIP is looking for two items for perimeter buffer area in the audit:

4.1 Does your site specific biosecurity plan describe or illustrate the boundaries of the PBA?

4.1.1 A map, diagram or detailed description of the PBA
DETERMINE NEED

➢ LARGE COMPANY
➢ SMALL COMPANY
➢ INDIVIDUAL
➢ BIOSECURITY PLANS/BIOSECURITY TEMPLATES
We provided technical help to companies and individuals lacking resources.
## Table of Contents

1. Biosecurity Coordinator
   1.1-Biosecurity Coordinator
   1.2-Type of Biosecurity Plan
   1.3-Knowledge of the Program
   1.4-Yearly Review
   1.5-Risk Review

2. Biosecurity Training
   2.1-Training Material
   2.2-Trained to Enter PBA
   2.3-Yearly Training Documentation
   2.4-New Hire Training
   2.5-Retention of Training Records

3. Line of Separation
   3.1-Detailing Line of Separation
   3.2-Procedures for Crossing Line of Separation

4. Perimeter Buffer Area
   4.1-Detailing Perimeter Buffer Area
   4.2-Procedures for Cross into Perimeter Buffer Area
AUDITS

➢ PRE-AUDITS

➢ LOCATION/DOCUMENTATION

➢ HOW LONG TO AUDIT

➢ COMPANIES AUDITED

➢ IMPACT
