

2019 Western States Livestock Health Association Annual Meeting

Utah is pleased to host the 2019 Western States Livestock Association Annual Meeting from Sunday, June 2nd to Wednesday, June 5th in Park City, Utah

We will start off our conference with a welcome reception the evening of Sunday June 2nd, featuring music by Barton and hopefully the Judge. Presentations and updates will begin Monday morning. After lunch, we will split the group in half and depart for tours of Midway or Kamas Fish Hatcheries, managed by the Utah Division of Wildlife Resources. That evening the group will have the option of going on a two hour trail ride following a lush, forested mountain trail to the stunning overlook of the Jordanelle Reservoir and surrounding areas. Other options include some of the best biking in America! There are several shops that rent bicycles, including one located within the hotel. Tuesday will be a full day of meetings followed by a banquet. Our meeting will wrap up Wednesday at noon after the WSLHA business meeting.

The welcome reception, breakfast and lunch each day, and the Tuesday evening banquet will be included with the registration fee.

Room Reservations

WSLHA is currently holding a block of rooms at the Park City Marriott in Park City, Utah, at the rate of \$130/night + \$10 Destination Fee + tax, until April 2, 2019.
